

### Review Form 3

Journal Name:	<a href="#">Journal of Advances in Biology &amp; Biotechnology</a>
Manuscript Number:	Ms_JABB_125824
Title of the Manuscript:	THE EXPERIENCE USING OF FREEZE-DRIED MULBERRY LEAFS' AS COMPOSITION OF ARTIFICIAL DIET FOR FEEDING SILKWORM CATERPILLARS.
Type of the Article	Research Article

#### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	In sericulture, maintenance and multiple feeding of the silkworm caterpillars are the challenging factors where artificial diet can be alternate opportunity. Freeze-drying techniques implying an orifice of new research portal. 4 strains of silkworm caterpillars show positive effect on histogram and graph which are clearly and attractive elaborative descriptions.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, but "Experiment" can be used instead of "Experience" and there should be a strong correction is needed in mulberry leaves instead of mulberry leafs'.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes.	
Are subsections and structure of the manuscript appropriate?	Yes.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	<ol style="list-style-type: none"> <li>1. The variety name of mulberry leaves should be mentioned.</li> <li>2. In sublimation method, the duration of storage in nitrogen should be mentioned.</li> <li>3. Essential artificial diet composition should be mentioned.</li> </ol>	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes.	
<b>Minor</b> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes.	
<b>Optional/General</b> comments	The effect of artificial diet on physiological growth of caterpillars can be studied.
