

Editor's Comment:

Based on the recommendation of all the three reviewers, manuscript may be accepted for publication in BJI.

Regarding title of the manuscript 'Using the Pretreatment Analysis to Optimize Seed Germination of Acacia auriculiformis A. Cunn. Ex' does not look appropriate to me. In my opinion, original title with change of 'using' in place of 'by' will be more appropriate (as suggested by one of the reviewers). That is, title ' Optimization of Acacia auriculiformis A. Cunn. Ex Benth. seed germination using pretreatment analysis' will be more appropriate.
