

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_123746
Title of the Manuscript:	A Review on sustainable agriculture development through organic farming.
Type of the Article	Review article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This article highlights the potential of organic farming to replace synthetic inputs, providing valuable insights for advancing eco-friendly agricultural practices. It offers a scientific evaluation of natural alternatives that enhance soil health, reduce environmental impact, and promote long-term sustainability. The review serves as a resource for researchers seeking to drive innovation in sustainable agriculture.	
Is the title of the article suitable? (If not please suggest an alternative title)	No, I suggest the following title "A Review on Advancing Sustainable Agriculture: The Role of Organic Farming in Food Security and Environmental Health"	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, some points have to be rephrased and removed. Have a look on the manuscript word file for the comments	
Are subsections and structure of the manuscript appropriate?	YES	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Need to correct the English vocabulary and improve the sentence in scientific manner. Follow the corrections carried out in manuscript word file	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	yes	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	No, the sentence formation is poor and not scientifically sound. The quality of the language is yet to be improved	
Optional/General comments	Carry out the corrections in the manuscript file for further improvement.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
