

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_125706
Title of the Manuscript:	Morpho-molecular Genetic Diversity Analysis of Basmati and Non-Basmati Rice (<i>Oryza sativa</i> L.) Germplasm.
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I like the manuscript as it will help us to get Basmati rice characteristics responsible gene and use it to Non-Basmati rice , parent selection for breeding success to get desirable characteristics of Basmati rice.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Please write the specific objectives of this research, research gap with further research work using the result of this research within few sentences in the abstract portion. In the result portion to get clear data gel electrophoresis banding figure, marker basepair was necessary.	
Are subsections and structure of the manuscript appropriate?	Some figure and table was missing to get clear data	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The protocol of the whole work was described well The result of the research work was clear and understandable We can select parent for breeding purpose getting Basmati rice desirable characteristics to Non- Basmati rice	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	It is okay.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
