Review Form 3

PART 1: Review Comments

| Compulsory REVISION comments | Reviewer's comment | Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|---|---|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part. | It passes a great knowledge on traditional food of a race or culture to maintain a high quality, indigenous food supply which can fight food security in terms of scarcity in the locality. | |
| Is the title of the article suitable? (If not please suggest an alternative title) | Yes | |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here. | Yes I suggest Key words should be added to the abstract underneath | |
| Are subsections and structure of the manuscript appropriate? | Yes | |
| Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part. | It is, because the author has clearly discussed by stating the importance of this recipes or food to the general public in the middle east and elsewhere around the world. | |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. - | THE STYLE of the reference is my concern | |
| Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications? | Yes | |
| Optional/General comments | Good and Novel work. A pass mark should be accorded accordingly | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
