PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I liked the manuscript because this piece is relevant for young, middle age and older adults. Obesity has been proliferating and its due negligence warrants attention. Hence, this review can extend its findings to the existing body of literature.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, pretty sound and information is well-drafted.	
Are subsections and structure of the manuscript appropriate?	Introduction can be broken down into several paragraphs. Such as different heading for review of literature.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This article is scientific because it has used PRISMA guidelines while using Boolean operators to search out relevant articles and ignoring the irrelevant ones. Also, total number of articles reviewed are 21 which is an excellent number.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, they are sufficient.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The content of the introduction should be extended with separate sub-headings to explain more about the topic.	
Optional/General comments	Overall, it is sound and reliable article.
