<p>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</p>	<p>The topic is apt and contemporary in Nigeria. It will be important for policy makers to know the impact of inflation on the approved new minimum wage in the country. But for this important study, there are a number of flaws that unfortunately limits it. The results seems spurious and only the short term result was presented after determining the long run cointegration of variables. Identification of gaps and contribution to knowledge was also lacking. SEE ATTACHMENT</p>	
<p>Is the title of the article suitable? (If not please suggest an alternative title)</p>	<p>The topic was suitable, but the content was highly limited. It can be "an empirical investigation into the inflation and wage dynamics in Nigeria"</p>	
<p>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</p>	<p>The abstract should be rewritten when the needed corrections have been effected</p>
