Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This is good work. It is good because of its recent importance related to food . Food is essential for health and research based on this idea is very much important. I think it is good topic regarding the present scenario.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes it is good overall, but it can be more comprehensive as well.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes it is okay. But according to my suggestion it can be more comprehensive as well. Please try to revise the abstract and make it more clear and comprehensive, so that it can grasp the reader's attention and create a curiosity and interest to read the whole research work.	
Are subsections and structure of the manuscript appropriate?	Yes it is good but objective of the research manuscript are not clear.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	It is according to the present need and research. It is very much important with the latest topic of food and health. It is widely acceptable and applied due to its deep concern regarding the food, quality and its overall impact on economic growth and development. if someone is physically, mentally and economically good then he/she can perform well to participate in the economy and wellbeing of the country as well.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes references can be sufficient.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	English grammar can be improved.	
Optional/General comments	Its overall sound.
