PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Superficially it appears to be a significantly important manuscript but it lacks in depth scientific analysis, for example the chemical components in the mixtures and their mode of action demand a mention.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It is clearly incomplete	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript is scientifically accurate, but not very robust, in my opinion it needs further and in depth investigation, particularly in the introduction and the materials and methods used.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Overall lack of references	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Grammar and punctuation need correction	
Optional/General comments
