Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript can be useful for scientific community. But the amount of work done in this manuscript is not compatible with the title of the manuscript. I believe that genetic studies need to be done more and in more detail. Simple presentation of statistical tables is not enough. Statistical findings should be analysed in detail. Material methods of this manuscript was very brief. The conclusion was a final results and no analysis was done.
