Are subsections and structure of the manuscript appropriate?	Fairly appropriate	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This articles concludes that the Corporate governance is a critical aspect of managing and overseeing a firm's operations. It encompasses various concepts, systems and mechanisms that ensure accountability, transparency, and ethical behaviour within a firm. This paper also considered the historical perspectives that have shaped the development of corporate governance practices over time. In other words, it explored the evolution of corporate governance, tracing its historical roots and examining the various systems and mechanisms employed to ensure best corporate practices. It went further to provide a comprehensive overview of the concept of corporate governance and related issues such as board structures, executive compensation, shareholder rights and regulatory frameworks. It demonstrated how these elements interact to shape the governance landscape across different industries and jurisdictions. It Drew on both theoretical insights and empirical research, the paper offered valuable insights into the complexities inherent in corporate governance. It used real-world examples to illustrate the impact of governance practices on firm performance, stakeholder relations and long-term sustainability. Moreover, the study explored the dynamic nature of corporate governance in response to evolving economic, social and technological trends. Understanding the concepts, systems, mechanisms and historical perspectives of corporate governance is essential for companies and stakeholders to maintain transparency, accountability and sustainable performance. It inferred that the Corporate governance helps build trust, ensures responsible decision-making and ultimately contributes to the long-term success of firms. Overall, this study will serve as a comprehensive resource for students, scholars, practitioners and policymakers interested in understanding the complexities of corporate governance and its implications for modern business practices.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. :-	Yes
