

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_122871
Title of the Manuscript:	Role of Biocontrol Agents in Suppressing Plant Pathogen: A compressive Analysis
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript is very informative for the scientific community. The knowledge and the roles of biocontrol agents is very important. This paper covers that information in detail and depth. That is also one of the reasons why I like this manuscript.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it is a suitable title.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, the abstract is very comprehensive as it is with no extra additions or deletion.	
Are subsections and structure of the manuscript appropriate?	Yes, they are.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This paper is scientifically correct, robust and technically sound. The different subsections in this manuscript cover all general and introductory knowledge with regards to biocontrol agents and explain them in detail. It even goes further to mention the use and application of current/ new scientific techniques involving genetic modifications and nanotechnology etc in relation to this subject matter.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, they are.	
<u>Minor</u> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes, the English quality is suitable.	
<u>Optional/General</u> comments	Well written and structured manuscript. The different sections are divided and explained very well.
