

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_123399
Title of the Manuscript:	Effect of Potassium and Gibberellic acid on some growth parameters and yield of okra
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This is a comprehensive and analytical study on Okra, a staple food in the sub-continent. This study will give an insight for the agriculturists. This type of study needs more promotion. Overall satisfactory.	
Is the title of the article suitable? (If not please suggest an alternative title)	Effect of Potassium and Gibberellic acid on some growth parameters and yield of okra in Bangladesh.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	As per the abstract, it seems that the present scientific study was carried out in university premises. Please mention the statistical analysis software name in the abstract.	
Are subsections and structure of the manuscript appropriate?	Yes, appropriate.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The authors provide raw data (i.e. manure, fertilizers dosage data etc.) in the MS. The statistical analysis and graphical presentations imply the robustness of the study.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	A few references are recent, mostly are old research papers. Need more recent studies on okra.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes, the language of the article suitable for scholarly communication.	
Optional/General comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
