

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_123625
Title of the Manuscript:	Empowerment of fisherwomen involved in post-harvest activities of Marine fisheries in Uttara Kannada district of Karnataka
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Empowerment of fisherwomen involved in post-harvest activities of Marine fisheries in Uttara Kannada district of Karnataka: the topic is novel and the variables taken for study are apt for the study. If an attempt is made to evaluate the factors with the help of few statistical tools like factor analysis, the results may be good	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is enough covering all the necessary aspects	
Are subsections and structure of the manuscript appropriate?	The analytical part is lacking in analysis	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The keywords can be rearranged in chronological order. The Research Methodology is good. Results and discussions are properly done. The chosen variables to measure the dimensions of women empowerment are good.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The incitation of the references are available, but it is recommended to use few more references to complete the article.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Rearrangement of keywords and the conclusion can be elaborated to give a valid and vivid conclusion	
Optional/General comments
