| Title of the Manuscript: | Investigating the Impact of Sprouting on the Nutritional and Anti-Nutritional Properties of Ogi Made from Yellow and White Maize Varieties |
| Type of the Article | Research |

Review Form 3

PART 1: Review Comments

| Compulsory REVISION comments | Reviewer's comment | Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|--|--|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part. | This manuscript is very important for a scientific community. Ogi is an innovative cereal-based food which is discussed in this manuscript. This manuscript showed that sprouting or fermentation result in increasing the nutritional content of product. This manuscript can be a good addition in literature with updated results about the sprouting study in Ogi. | |
| Is the title of the article suitable? (If not please suggest an alternative title) | Yes, Suitable. | |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here. | Abstract is fine and accurate. | |
| Are subsections and structure of the manuscript appropriate? | Yes, appropriate. | |
| Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part. | This manuscript is good for the scientific literature because it provides a detailed study about the effect of sprouting in Ogi. | |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. | References are fine and accurate. | |
| Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications? | Language needs to be improved. | |
| Optional/General comments | <ul style="list-style-type: none"> Add sensory analysis of sprouted and unsprouted ogi products and present result as comparative analysis. | |

PART 2:

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|---|--|---|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
