**Review Form 3**

**PART 1: Review Comments**

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<p><b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b></p>	<p>The paper "Influence of Socio-Economic Background on Educational Attainment in Rural Rajbanshi Youth" is a very useful research in which the influence of social responsibility on the influence of the socio-economic environment on the educational outcomes of young people in rural Rajbanshi is researched and evaluated.</p> <p>The work is important for the scientific community, but also for practitioners because it could help design directions of action in research and practice in particular, regarding the analysis and influence of the socio-economic environment on the educational outcomes of young people in rural Rajbanshi.</p> <p>I mention that the topic is of great importance because through such research many opportunities for growth, development and improvement of businesses can be offered, including by studying the impact of the analysis of the influence of the socio-economic environment on the educational results of young people in rural Rajbanshi.</p> <p>The title of the paper is appropriate to the research carried out because the paper analyses the impact of the analysis of the influence of the socio-economic environment on the educational outcomes of young people in rural Rajbanshi.</p> <p>The abstract of the paper points out some elements of the research carried out, regarding the impact of the analysis of the influence of the socio-economic environment on the level of education among young people in rural Rajbanshi.</p> <p>The general objective of the research focuses on the analysis of the influence of the socio-economic environment on the level of education among young people in rural Rajbanshi.</p> <p>The research reveals the importance of the theme and considers the analysis of the influence of the socio-economic environment on the level of education among young people in rural Rajbanshi.</p> <p>The structure of the paper and its subsections are not in a sequential sequence and lead to the presentation of the research results.</p> <p>The study was based on a series of own analyses based on the specialized literature, and during the scientific approach, the opinions of analysts, researchers, experts and professionals in the field were called upon and important approaches from the literature specific to the field were indicated, respectively there are references and appropriate bibliographic sources.</p> <p>The research was based on appropriate data collection and analysis methods, revealing the role of meaningful information on the influence of socio-economic factors on the level of education among young people in rural Rajbanshi. The results demonstrate that variables such as age, marital status, social participation and family occupation are crucial determinants of educational success. Specifically, younger and unmarried people tend to achieve higher levels of education. This emphasizes the role of family and personal factors in shaping educational outcomes.</p>	
<p><b>Is the title of the article suitable? (If not please suggest an alternative title)</b></p>		

### Review Form 3

<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>		
<b>Are subsections and structure of the manuscript appropriate?</b>
