

Review Form 3

Journal Name:	European Journal of Nutrition & Food Safety
Manuscript Number:	Ms_EJNFS_122174
Title of the Manuscript:	Comprehensive study on the extraction of bioactive compounds from date press cake using ultrasound-assisted extraction (UAE)
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript evaluate the efficacy of bioactive compounds from date waste and characterize the extracted bioactive compounds. The extraction method used in this research is green and environmentally friendly. Possibility of obtaining viable antioxidant compounds from date waste at a low cost.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it is. I think the word "Cake" in the title could be replaced with another suitable word.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is. I think the most important results should be added, especially regarding the total content of phenolics and flavonoids and antioxidant activity.	
Are subsections and structure of the manuscript appropriate?	Yes, it is.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	I believe that the methodology used in this manuscript is correct and appropriate for this type of research. The manuscript is written in a clear language. The tables and figures illustrate the results well.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	Yes, they are.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes, it is. Fig 1. ultrasound assisted extraction (Ultrasound) 2.5 Determination of total phenolic content (Determination)	
Optional/General comments	Table titles are placed at the top of the table, not at the bottom.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
