

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_122868
Title of the Manuscript:	A review on the application of RS, GIS and GPS in agriculture and allied sector
Type of the Article	Review

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This paper provides an overview of the use of remote sensing, GIS (Geographic Information System), and GPS (Global Positioning System), but without giving any further information about the type of remote sensing (optical or radar) or any precision about the GPS functioning.	
Is the title of the article suitable? (If not please suggest an alternative title)	A review on the application of RS, GIS and GPS in agriculture and allied sector A review on the application of Geomatics in Smart Agriculture	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	I find that the abstract gives an idea about the content of this paper; however, the keywords include 'big data,' 'disease and pest management,' and 'nutrient management,' which do not match the content of the paper.	
Are subsections and structure of the manuscript appropriate?	yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	I think that it's a review rich with references, providing insights into recent research on the application of geographic information in the field of smart agriculture.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, it will be judicious to add some recent articles above 2023	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	The language of this paper should be improved, and many spelling and grammatical errors need to be corrected.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
