

Editor's Comment:

I accept the manuscript for publication in the Journal.

Considering the reviewers recommendations and the authors corrections, we can publish this manuscript. The reasons are as follows:

1- One of reviewers gives comment such as "The research is scientifically and linguistically integrated and has excellent practical applications."

2- One of reviewers gives comment such as "Accept as it is"

3- Four reviewers give comments such as "Accept after minor revision".

According to the comments, the authors have corrected the paper carefully.

Therefore, the paper has enough value for publication in the Journal.
