

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Environment & Ecology
Manuscript Number:	Ms_AJEE_122779
Title of the Manuscript:	Community structure of intertidal macrofauna: spatial autocorrelation of two rocky coasts of Gujarat, India
Type of Article :	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The previous comments have not been addressed. The manuscript should be reworked and resubmitted after these substantial revisions are made, More detailed comments have been inserted into the text. Therefore, the manuscript should be resubmitted for a third round of revision.	We have once again undertaken significant efforts to make substantial revisions to the manuscript, carefully implementing all the required changes. The revised version has now been completed and submitted for review.
