

Editor's Comment:

I accept the manuscript for publication in the respective Journal.

Considering the reviewers recommendations and the authors corrections, we can publish this manuscript. The reasons are as follows:

1- One of reviewers gives comment such as "The subject matter is of interest to the scientific community due to the number of unanswered questions in established models."

2- One of reviewers gives comment such as "Significant scientific content is mentioned in this manuscript. This subject can be acceptable for publishing"

3- One of reviewers gives comment such as "Accept as it is"

4- Four reviewers give comments such as "Accept after minor revision".

According to the comments, the authors have corrected the paper carefully.

Therefore, the paper has enough value for publication in Journal.
