Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The main objective of vertical farming is to maximize yield against minimal usage of natural resources. It promotes precision agriculture as well as sustainable agriculture way more than traditional techniques of cultivation.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Need to modify	
Are subsections and structure of the manuscript appropriate?	ok	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Vertical farms use technology to monitor and control growing conditions, which can lead to higher yields per square foot	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	No need	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	yes	
Optional/General comments	Needs to modify	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
