EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>Structure of the paper is not adequate. The intentions, conclusions, correlations between distributions, research questions, and research gap is lacking from the content. The topic is interesting and deserves to be treated in a more detailed and scientific way.</p> <p>I think that the article should not be published as it is but be revised, also in order to respond to the requests of the reviewers ("Feedback_ACRI_123353_v1_Efa").</p>	<p>Yes sir accepted your suggestion and improvised the paper</p>
