

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed.

- The organisation of the manuscript to be checked.
“*Fig. 1,2,3,4*”, this should be referenced - [in the text].
“*Table 1,2,3,4,5,6,7,8*”, this should be referenced - [in the text].
- Check grammar.
 - ✓ In the text, do not use the first person "we", "our".
 - ✓ In the text, do not use the second person "you".
 - ✓ Do not use contractions, i.e., use "did not" rather than "didn't".
 - ✓ to have the text English proofread (mainly the article).

References should be checked.

- ✓ The sources used in the text are indicated as follows: “**Tanil, C.T. et al. (2020)**...” etc.
Must be: Tanil et al. [1],....
- ✓ All works cited in the text must be listed in the References.
- ✓ to elaborate the bibliographic citation and references format according to the needs of the Journal.
