

**Editor's Comment:**

The authors answered the reviewers' comments. Consequently, the paper may be accepted for publication. However, the following minor changes should be introduced previously to its publication:

-The Cochran's equation is repeated in sections 2 and 3.1.

-All the figures and tables should be cited in the text.

-Spanish should be replaced by English along the text and figures.

**Editor's Details:**

Prof. Isidro Alberto Pérez Bartolomé  
University of Valladolid, Spain.
