<ol style="list-style-type: none">1. The Cochran's equation is repeated in sections 2 and 3.1.2. All the figures and tables should be cited in the text.3. Spanish should be replaced by English along the text and figures.	<ol style="list-style-type: none">1. Section 2 details the explanation of the formula applied for the extraction of the sample. On the other hand, section 3.1 mentions and explains the process of applying the formula to extract the sample to be applied in the research. For this reason, Cochran's formula appears twice in the manuscript.
