Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. Authors must write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This article is a scholarly article that highlights the high burden of eye diseases in Sudan and this will help contribute important knowledge to the scientific community	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, the title is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, the abstract is suitable. However, I suggest the Authors include a sentence in the conclusion to summarise the overall significance of the study. This will help enrich the manuscript	
Are subsections and structure of the manuscript appropriate?	Yes, they are adequate. However, I advise that the authors should consider replacing the second, and twelfth categories etc with appropriate terms and suggest the use of terms like contrary, in comparison to help enrich their manuscript.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This is because the information contained in the manuscript will contribute greatly to the scientific world.	
Are the references sufficient and recent? If you have suggestions for additional references, please mention them in the review form.	Yes, they are sufficient	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes, it is suitable with the minor corrections outlined above	
Optional/General comments	This manuscript will contribute significantly to the scientific world in terms of knowledge	

PART 2:
