

Editor's Comment:

After careful perusal on the revisions done by the author/s as per the recommendations of the external reviewers, I hereby recommend ACCEPTANCE of the paper for publication. I just have a comment on the title. It is quite long. The original title is:

The Effect of Scaffolding Teaching Strategy on the Achievement and Retention of Lower Basic 5 Special Needs Pupils' in Special Needs Schools in Abia State, Nigeria

it can be change to:

The Effect of Scaffolding Teaching Strategy on the Achievement and Retention of Lower Basic 5 Special Needs Pupils in Abia State, Nigeria.

It is also recommended that the paper undergo stylistics and editing and proofreading for some typo and grammatical lapses.
