

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_123789
Title of the Manuscript:	Influence of weather parameters on abundance of Litchi fruit Borer (<i>Conopomorpha sinensis</i> , Bradely, 1986)
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The manuscript is relevant to the agriculture sector as it will help understand and enhance the production and the quality of the litchi fruit, along with scope to produce it off seasonal by controlling the conditions that positively favour the proliferation of the pest.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The grammar and phrasing of the abstract has to be improved.	
Are subsections and structure of the manuscript appropriate?	There are just three fairly broad sections that cover the whole manuscript.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript is scientifically fine. It uses majorly basic statistical analysis of the data (linear regression). The result extrapolated is in line with the results of the statistical analysis.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	It is sufficient in context with the paper	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Revision of language quality and grammar is required	
Optional/General comments		

Review Form 3
