

Review Form 3

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_123861
Title of the Manuscript:	Competitiveness of Indian Rice in the Global Market: A Comprehensive RCA and NPC Evaluation
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This study provides valuable initiatives for current discussion of food safety and protection in South Asia. Further, this aims to reveal one of comparative advantages of India for achieving their long-term global objectives. The vocabulary and the writing pattern is appropriate for an average reader.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive enough, however, it is better to have a brief description of the research question of the study at the top of the abstract.	
Are subsections and structure of the manuscript appropriate?	It is recommended to have a sub-section for the review of the past literature which is relevant to this study. This may help to reader for a better understanding of this study.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	In the introduction part, the author should clearly explain the research question and the objective of the study. However, the research approach is sufficiently enough (explanation for why rise export is important to India with global comparisons) for to understand the importance of the study. The employed methodology is simple for the understanding of an average reader.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are not sufficient and literature review part is missing in this manuscript.	
Minor REVISION comments	Yes.	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments		

Review Form 3
