

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_123536
Title of the Manuscript:	PEARL MILLET (<i>Pennisetum glaucum</i>): A CLIMATE RESILIENT AND NUTRITIONALLY SIGNIFICANT CROP FOR GLOBAL FOOD SECURITY
Type of the Article	Review Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment This is a motivating study. However, in my view the manuscript has some deficiencies with regards to focusing global scenario as mentioned in the title and unhealthy discussion in relation to text and tables. Kindly find comments in manuscript in detail. Kindly see attached reviewed word file in detail.	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Climatic stresses (biotic and abiotic) and bio fortification on crops are major issue. The addressing of these parameters is the need of the hour. Especially Millets which is climate-resilient and need minimal input to establish. Secondly malnutrition prevalence in the underdeveloped countries needs urgent attention.	
Is the title of the article suitable? (If not please suggest an alternative title)	Title need no change	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Minor changes required.. plz see attached review file	
Are subsections and structure of the manuscript appropriate?	Section and subsection numbering in the manuscript are required as per author instructions	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Needs more English writing expertise... Arrangement of sentences required as per instruction in reviewed manuscript.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are sufficient. However, provide recent references (1996 and 2008,), if possible..	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Need English quality for scholarly communication plz	
Optional/General comments	Pictorial/graph view needed as regards biotic and abiotic stresses on/and millet or Value added products or/and millet varietal morphology/phenology
