PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study relates to the yield gap between potential and actual yield and their impact on the economics. I think it will be an insight to the readers about the economics of the yield gap and this is on a small scale, if we calculate the total area the figures would be much bigger. It is therefore suggested to incorporate that calculation in the article.	
Is the title of the article suitable? (If not please suggest an alternative title)	Its ok	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Its comprehensive	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	It's just an economic study about the potential and actual yield of the crop in certain areas, it may give an idea of how it is impacting the yield of the crop.
