<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b>	This is one of the most fascinating papers I have ever read; it is well-organized and presented. The author has done an excellent job of highlighting the concerns and problems encountered by AWW, which has been emphasized in recent years and gets the recognition it deserves.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Yes	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	Yes, it has very well covered the involvement, social profile, income distribution along with some other important aspects. Yes, according to me a brief section explaining Dr. A.P Singh scale need to be presented.	
<b>Are subsections and structure of the manuscript appropriate?</b>	Yes, after the incorporation of the above mentioned sectioned it would be apt.	
<b>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</b>	Yes, on the whole it has presented the holistic view on AW workers coupled with highlighted positives and suggestions of the scheme. It can be considered significant contribution to the existing body of knowledge.	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	Yes, quite recent	
<b>Minor</b> REVISION comments
