

**Review Form 3**

Journal Name:	<a href="#">Journal of Advances in Biology &amp; Biotechnology</a>
Manuscript Number:	Ms_JABB_123839
Title of the Manuscript:	<b>Phytotherapeutic, Phytonutraceutical, Medicinal, Food and Forage Properties of Fenugreek (Trigonella foenum-graecum Linn.): A Wonder Herb of Multifarious Values</b>
Type of the Article	<b>Review Article</b>

### Review Form 3

#### **PART 1: Review Comments**

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b>	<ol style="list-style-type: none"> <li>1. Fenugreek primarily addresses non-communicable diseases, which are currently prevalent worldwide.</li> <li>2. It can be used as a preventive measure rather than solely for treatment.</li> <li>3. As a common spice, fenugreek is readily available and can be easily incorporated into a busy lifestyle.</li> </ol>	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	<p>As a scientific paper, it would be better to modify the title to "Phytotherapeutic, Nutraceutical, Medicinal, and Forage Properties of Fenugreek (<i>Trigonella foenum-graecum</i> L.): A Comprehensive Review.</p> <p>However, please review the differentiation of the terms Phytotherapeutic, Phytonutraceutical, Medicinal, Food, and Forage Properties for further clarification, as some may appear to overlap.</p>	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract is unclear and incomplete. Reduce the introduction, add the methodology, and expand the results, discussion, and conclusion. (Follow IMRaD method to write abstract).	
<b>Are subsections and structure of the manuscript appropriate?</b>	Some sections that must be included in a scientific article, such as the methods used to conduct the work, are missing.	
<b>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</b>	<ol style="list-style-type: none"> <li>1. The title should be adjusted based on the provided feedback.</li> <li>2. The author has utilized scientific evidence to support the claims.</li> <li>3. However, the method of scientific writing should be improved; for example, the abstract needs refinement.</li> </ol>	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b> :	<ol style="list-style-type: none"> <li>1. Please review the comments on the References section provided earlier.</li> <li>2. Additionally, I suggest including Ayurvedic classical references to support the traditional knowledge on fenugreek.</li> </ol>	

### Review Form 3

Minor REVISION comments <b>Is the language/English quality of the article suitable for scholarly communications?</b>	The language and English quality of the article need to be improved for scholarly standards	
<b>Optional/General</b> comments	The presentation of data should be enhanced by using tables, graphs, and other methods to clarify the information, rather than relying solely on paragraphs.	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes. Kindly please write down the ethical issues here in details)</i>	

### **Reviewer Details:**
