

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_124697
Title of the Manuscript:	Effect of date of sowing in mustard (<i>Brassica juncea</i> L.) genotypes on seed growth and yield
Type of the Article	Simple study of three genotype with three sowing dates. May be published as short communication

General guidelines for the Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Sowing date of the genotype studies in the trial is important o identify the best sowing time	
Is the title of the article suitable? (If not please suggest an alternative title)	Title is OK	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	OK	
Are subsections and structure of the manuscript appropriate?	OK	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Simple study of sowing dates versus genotypes. Technically OK. But to be published as full length more in depth study will be required in relation to weather parameter mostly temperature and rainfall and their interaction with the crop performance	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	OK.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Conclusion should be checked. The justification of best results should be proper and justified with weather parameters	
Optional/General comments	May be published as short communication. Further study will be required.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
