

Review Form 3

Journal Name:	European Journal of Nutrition & Food Safety
Manuscript Number:	Ms_EJNFS_124966
Title of the Manuscript:	Assessment Of Knowledge, Attitude, And Practices (Kap) Of Anganwadi Teachers And Asha Workers With Regard To Nutrition Education
Type of the Article	Research Paper

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	It is highly valuable as it aims at addressing critical aspects of public health especially in rural and underprivileged areas. It has great focus on the frontline health workers. Besides it contributes to bridge the unfortunate knowledge gap between theoretical nutrition education and practical implementation in rural areas. Overall this research provides evidence-based insights for promoting rural healthcare system.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes absolutely	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes it is perfect one.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	There is use of Knowledge, Attitude and Practice (KAP) model in very interesting manner throughout this research. Structured questionnaires, statistical analyses, and field-based data collection makes this paper scientifically robust and relevant. The most important fact is that this paper would contribute a lot in evidence-based policy making in near future.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes there are sufficient references	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes truly suitable	
Optional/General comments	Need more such valuable research items in future	

Review Form 3
