

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_123113
Title of the Manuscript:	Tiny Architects of Fertile Soils: Understanding the Role of Soil Arthropods
Type of the Article	Review Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	It is crucial for maintaining sustainable agriculture and healthy ecosystem. These tiny Arthropods significantly contribute soil health through decomposition, pest control, soil structure, soil aeration and nutrient cycling. Understanding and supporting the role of these tiny creature can lead to healthier ecosystem.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes Tiny architects of fertile soils: Exploring the impact of soil Arthropods.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, but some more scientific points can be added.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript has a comprehensive coverage and clear organization along with clear, precise language, with well-defined terms and concepts. However, it requires more identified research gaps and little more up-to-date information.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Some more recent references can be added.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
