

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_121892
Title of the Manuscript:	Genetics of fruit yield and its quality traits in okra (<i>Abelmoschus esculentus</i> (L.) Moench)
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This study has a good weightage, The research found that both additive and non-additive gene actions are present in traits and it will provide the base line for breeder to develop good varieties	
Is the title of the article suitable? (If not please suggest an alternative title)	Title is suitable as per study and attract the reader	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract need some addition regarding comparison between F1 generation and parents	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript needs some more literature in the discussion portion to explain the results. Author is lacking detail explanation regarding comparison among the environment, and F1 generation and parents.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Very little references cited in the study, mostly the work of Mrinmoy et al (2013) quoted.. Author should consent latest reference in the study to make it more valuable. About twenty references are available in the year of 2024 from Indian Authors.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Manuscript writing is fine	
Optional/General comments		
	Manuscript should be sent back to Author for revision
