

Editor's Comment:

The given research article is an original manuscript and of utmost importance for its region.

1. The Title is lengthy but justified.
2. The abstract is properly managed.
3. The keywords are related.
4. The introduction is descriptive.
5. The theoretical framework is properly managed.
6. The method is appropriate.
7. The results and discussions are properly analyzed and presented.
8. The conclusion is comprehensive.
9. The limitations are mentioned.
10. The references are sufficient.

There are some grammatical errors but they are manageable. I recommend the mentioned manuscript for publication.
