

Review Form 3

Journal Name:	Journal of Advances in Medicine and Medical Research
Manuscript Number:	Ms_JAMMR_124433
Title of the Manuscript:	Personalized Palliative Management in Advanced Klatskin Tumors: A Case Report on Multiduct Stenting and Chemotherapy
Type of the Article	Case report

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript adds value in clinical practice of the management of hilar CCs It emphasis on the use of advanced endoscopic approaches in the management of CCs Internal biliary drainage is more preferred than external, therefore for ideal cases like this it was the correct approach taken	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Ok, add Keywords at least five words	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Refer to the first comment	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Ok.	

Review Form 3

<p>Minor REVISION comments</p> <p>Is the language/English quality of the article suitable for scholarly communications?</p>	<p>Yes</p>	
<p>Optional/General comments</p>	<p>Introduction</p> <ul style="list-style-type: none"> ● Need major paraphrasing ● Delete the first sentence and start by the introduction of the Klatskin tumor e.g. <i>Klatskin tumors also known as hilar cholangiocarcinoma are Bismuth-Corlette specifically classified hilar CCs into type 1, 2, 3a, 3b and V (figure x). Early diagnosis of Klatskin tumor is challenging and the onset of symptoms is insidious. The symptoms of biliary drainage obstruction are invariably present..... Risk factors.....</i> ● <i>Specific clinical investigations (mention)....surgery is the cornerstone for curative intent for early diseases where as endoscopic approaches (ERCP and biliary stenting) and IR (intervention radiology for external biliary drainage) serves as palliative intervention.</i> ● <i>Brief on the case</i> 	

PART 2:

	<p>Reviewer's comment</p>	<p>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</p>
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
