Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	This paper is an original article. This study was written very well. There are few grammar mistakes. But conclusion section must be added a previous study for comparison. And conclusion's comment should be increased by author. I can accept this article for publication if these corrections make.	

Review Form 3
