

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_124520
Title of the Manuscript:	Spatial Variation of Microclimatic parameters inside a Polyhouse with Fog cooling system
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This study revealed that the microclimate inside a naturally ventilated polyhouse was distributed heterogeneously which have a direct impact on crop growth. So, it can better manage and control the optimal conditions for plant growth and thus improve crop yield and productivity.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	In page no. 2, please correct the sentence 9 In second page, para 3, sentence is too long and is not clear what does it mean In page no.3, para 1, reframe the sentence scientifically... What do you mean HDPE ? In page no. 4, first sentence, components of temperature ...please correct it	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	In second page, para 3, reference year , Villagran and Bojaca (2002) , quoted in text does not match with the year in the reference list	

Review Form 3

Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	ok	
Optional/General comments	In my point of view, this is merely a basic study It would be a good manuscript if this study focusses on the effect of spatial variation of microclimatic parameters inside a Polyhouse with Fog cooling system to the plant growth and crop yield	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
