Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I would like to this manuscript due to using the appropriate variables for the AHP model and mix mode method is useful for the explanation of the results. Some GIS mapping part too used for the clear explanations. SEE ATTACHMENT	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Actually it is enough and comprehensive	
Are subsections and structure of the manuscript appropriate?	Somewhat is OK, but some subsections such as methodology included has not sufficient, I have already commented on the text. See the comments.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Even methodology part is the valuable portion of the manuscript, it has no descriptive explanations and equation of the calculation, therefore need to be added. Discussion part has no critically analysis with appropriated data; it is just only reporting style.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	Sufficient and recent sources were there.	
Minor REVISION comments
