

### Review Form 3

Journal Name:	<a href="#">Asian Hematology Research Journal</a>
Manuscript Number:	Ms_AHRJ_124497
Title of the Manuscript:	Salmonella Paratyphoid Induced Hemophagocytic Lymphohistiocytosis (HLH), its Presentation, Treatment and Literature Review.
Type of the Article	

#### **PART 1:** Review Comments

<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	HLH associated with typhoid fever is not very common ,so this article highlights regarding an inusual presentation with typhoid fever that we have to consider in our clinical practice.	
Is the title of the article suitable? (If not please suggest an alternative title)	OK	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Try to make it bit short , and highlight that the HLH presentation mimicks some other disease conditions so we can easily miss the diagnosis if we are not considering that. And HLH and typhoid fever is rare. No need to mention methodology , and results , as this is an article. You can go as Abstract, Introduction and the case report.	
Are subsections and structure of the manuscript appropriate?	Go AS Abstract, Introduction, Case report, Discussion ,Conclusion, References. Some are repeating in the article . eg introduction , conclusion	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This presentation is clinically important. But in this case how the diagnosis of HLH was made was not very clear according to the diagnostic criteria, so pls mention how the criteria related to your patient. And mention other DD except HLH for this presentation. Better to mention about blood picture, serum ferritin and any histological or BM diagnosis available.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		
<b>Minor</b> REVISION comments  Is the language/English quality of the article suitable for scholarly communications?	Please use Grammarly for the grammar corrections.	
<b>Optional/General</b> comments
