Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	As a developing country like Nigeria, SMEs have a great impact or influence on the economy such as contribution to GDP, employment generation, woman empowerment. Considering the above factors, I like the manuscript including several points relating to correction.	
Is the title of the article suitable? (If not please suggest an alternative title)	The Influence of Bank Financing on the Growth of SME's in Nigeria	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive but can be added some points such as contribution or importance to society.	
Are subsections and structure of the manuscript appropriate?	A new section, clearing research gap can be added.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Data validity checking procedures is not sufficient. Whether the used model's appropriateness is not checked here? SME performance = sales or profit and a regression analysis can be done	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	If recent references are used or used as literature review, it would be better I hope.
