Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Authors studied the effects of different plant extracts to control the Alternaria blight disease as an alternative to chemical fungicide. This study will helpful for farmers those are shifting to organic farming as well as researchers to find out potent natural fungicides. SEE ATTACHMENT	
Is the title of the article suitable? (If not please suggest an alternative title)	Title properly describes the aim and objective of article	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract needed improvement for instance "A field experiment was conducted at the research plot of the Department of Plant Pathology, SHIATS, Allahabad, U.P. during the Rabi season of 2023-24". Add this portion in materials and method section. Check the spelling of 'SHIATS'. Need to address the result properly. Add keyword "mustard"	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Manuscript needs grammatical check and proper formatting of results and discussion section. Some of the sentences need citation. Discussion need to be elaborate. Authors only mentioned 'similar findings have been reported ". Data presented in table and in sentences not marching. Similarly graph data not matching with results stated in manuscript. Result was poorly written and discussed	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Need more citations	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Need improvement	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
