

Review Form 3

Journal Name:	Asian Research Journal of Agriculture
Manuscript Number:	Ms_ARJA_124842
Title of the Manuscript:	"Evaluation of Bioagents Against Stemphylium vesicarium Inducing Stemphylium Blight in Onions (allium cepa L.)"
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Management of plant disease with bio agents is ecological sound. There is no harmful effect in the environment. So this manuscript is acceptable.	
Is the title of the article suitable? (If not please suggest an alternative title)	Title is perfect.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The content of the manuscript is elaborately explained with current references. So no need of further addition.	
Are subsections and structure of the manuscript appropriate?	Almost appropriate.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	In this experiment there is involvement of beneficial microbes in the management of plant disease (plant pathogen). The bio-control agents inhibit the growth of pathogen by producing many cell wall degrading enzymes and secondary metabolites. So, science is connected directly in this manuscript.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are sufficient.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	English quality of the article suitable for scholarly communications	
Optional/General comments	Need of minor correction. SEE ATTACHMENT	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in detail)</i>
