

Review Form 3

Journal Name:	International Astronomy and Astrophysics Research Journal
Manuscript Number:	Ms_IAARJ_123654
Title of the Manuscript:	IMPACT OF SOLAR WIND AND MAGNETIC FIELD ON THE INTENSITY OF COSMIC RAYS
Type of the Article	Short Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Proper titles, cohesive abstract, key words, research objectives, introduction, subtitles, tables, mathematical equations, result and discussion, conclusion and more than 70 references should be written in the whole structure of this article.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, other suggested: IMPACT OF SOLAR WIND AND Earth's MAGNETIC FIELD ON THE INTENSITY OF COSMIC RAYS	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract should be written according to title, and article structure, Main objectives could be referred briefly to inspire readers and being more comprehensive in general	
Are subsections and structure of the manuscript appropriate?	Lack of additional, but Acceptable	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This manuscript much needed to make corrections in word in page 2 heliospere , and number of equations should be written inside (1), (2)	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	Number of references are enough. New published articles should be included in the references about 50%.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Yes, could be lack it	
Optional/General comments	I think this article needed to additional corrections in some words such as heliospere, to be heliosphere, and number of equations could be written inside ()	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
