

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_124570
Title of the Manuscript:	Effect of sowing dates and wheat cultivars on agro meteorological indices of wheat under conditions of North-Western Himalayas
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Really Excellent work and important Idea during climate changes nowadays so to study the response of crops to temperature, sowing dates can be a great option. Specially the effect of elevated temperature can be seen during the reproductive stages of wheat with considerably alterations in wheat phenology as well as reduced wheat grain yield.	
Is the title of the article suitable? (If not please suggest an alternative title)	Little long but accepted	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The first two lines should change and write the importance of this work as introduction in the top of the Abstract.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	It deals with important subject (Temperature) and their effect on strategy crop as wheat and shown how climate changes effect on agriculture.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Around 17 references and I think there are more references near to these subjects you can add more. Journal of Plant Production - Articles List (ekb.eg) Effect of Sowing Dates on Potential Yield and Rust Resistance of Some Wheat Cultivars	

Review Form 3

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Suitable	
Optional/General comments	Results and discussion Growing degree days (GDD) The perusal of the data presented (Delete d) in the Table 1.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
