Manuscript Number:	<b>Ms_AJESS_122608</b>
Title of the Manuscript:	<b>The Effect of Teacher Coaching on Pedagogical Competence in Public Secondary School in Kenya</b>
Type of the Article	<b>Original Research Article</b>

## Review Form 3

### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I like this study because it provides data and input on the importance of coaching to improve the pedagogical competence of teachers. It will also broaden the knowledge of pedagogy coaches to become effective in their given tasks. It is very timely to update the pedagogical competence of teachers for the teaching and process to be effective and reliable as part of the application for lifelong learning.	
Is the title of the article suitable? (If not please suggest an alternative title)	Very suitable and timely.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It is within the parameter of which it provided a summary of the whole paper.	
Are subsections and structure of the manuscript appropriate?	The subsections provided a connection, and relevance and elaborated the whole context of the paper.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript contains vital information and data that will give researchers and advocates of pedagogy. It gives a new perspective since this is in another country where other foreign researchers may used as a reference. Teacher coaching is a vital role which when done properly and effectively will have a great impact on the learners acquisition of the lifelong skills and theories that they must attain in the four corners of the classroom.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	References are enough that the paper was able to provide a counter-check of different perceptions and ideologies.	
<b>Minor</b> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	There are minimal corrections but overall the language quality used in the article is suitable for scholarly communication.	
<b>Optional/General</b> comments	Check for coherence, subject-verb agreement, proper use of punctuation... proper spacing and alignment of the document.
